

**PRODUCT BULLETIN: PSP100-162**

**OIL GATOR**  
**GRANULAR ABSORBENT, RECYCLED CELLULOSE**  
**13.5 KG (30 LB BAG)**

Oil Gator is an “ALL NATURAL” biocatalyst and does NOT contain any man-made, cultured or genetically altered micro-organisms. Oil Gator contains all the natural ingredients (nitrogen, sulphur and phosphorous) necessary to accelerate the indigenous microbes to a point where they will rapidly degrade unwanted hydrocarbons.

No harm will ever be done to the environment by the use of Oil Gator. Oil Gator meets all OSHA (USA) requirements and is biodegradable. It is not WHMIS regulated.

**Oil Gator - All Natural Biocatalyst**  
**Absorbs up to six times its weight in oil or oil based products**

- Encapsulates oil or oil-based products
- Ground cleaning by bioremediation.
- Stops leaching of contaminants into the soil or groundwater.
- Non carcinogenic & non abrasive.
- All natural cellulosic fibers
- Lightweight - which will lower the cost of transportation.

<b>PSP100-162</b>	<b>Sorbent, Bioremediation Agent, Oil Gator (30 lb bag)</b>
-------------------	---

Available in pallet quantities, 60 units full pallet and 30 unit partial pallet (with handling fee)  
Available in single quantities on mixed skid orders from Vancouver only.
